Fizz, Boom, Plan! is our theme for a workshop that will spark many ideas for SRP in your own library! Following last year's successful unworkshop segments, we'll again spend some of the day in sessions with topics we'll choose collaboratively. You will attend and help to create whatever sessions interest you. (We'll ask you for your topic ideas when we confirm your registration.) Join us for a fun, creative, idea-filled day with your most lively peers!
