Every Hero Has A Story . . . and your very own **Super Librarian, Champion of Summer Learning** story starts at this workshop! Join us for a day of thinking and fun as we make new connections faster than a speeding bullet, create group brain trust more powerful than a locomotive, and leap tall build-ups of unexamined habit in a single bound! You'll leave with many ideas for your summer programming, a network of peer mentors, and a greater understanding of how to be more effective in serving the groups who matter most in your library.
