SECTION 3 - PLANNING

NEEDS ASSESSMENT AND DEVELOPMENT OF THE PLAN

- 3.1 Provide a summary describing the processes used to assess needs in the development of the Plan of Service. As part of its current Plan of Service (pos) UHLS administers an annual pos Satisfaction Survey to our member libraries. The results of the previous three years of surveys reflected a better than 95% satisfaction level with system efforts on behalf of our member libraries. This was the starting point for developing the 2017-2021 pos. The UHLS staff reviewed the survey results along with the previous pos and collaborated to draft a new set of pos elements based on the new pos form. The draft pos elements were shared with the UHLS Board, the member library Directors Association, member library trustees, and member library staff for review and comment, providing several different avenues for feedback (open access google doc, email comments, open invitation UHLS Plan of Service Forum). The draft elements were finalized using this feedback and were integrated into the final draft of the UHLS 2017-2021 Plan of Service. The final draft was presented to the UHLS Board of Trustees for review and approval at their September 14, 2016 meeting.
- 3.2 Identify the groups involved in development of the Plan of Service and each group's role. 1)UHLS staff - initial review of previous pos, development of first draft of new pos, review of progressive iterations of new pos, review of final draft. 2) UHLS Directors Association - review and input on draft pos, review of final draft. 3) UHLS member library staff and trustees - review and input on draft pos, review of final draft. 4) UHLS Services Committee - review of final draft pos for recommendation to full UHLS Board. 5) UHLS Board - review of final draft pos for approval. Note that the UHLS Board was kept fully informed as to the complete pos development process from start to finish.
- 3.3 Describe the planning process for the 2017-2021 Central Library Plan. The UHLS Central Library Advisory Committee (CLAC) reviewed the current central library plan of service (clpos) and developed the initial draft of the new clpos. Along with the draft of the full pos, the clpos draft was shared with the UHLS Board, the member library Directors Association, member library trustees, and member library staff for review and comment, providing several different avenues for feedback (open access google doc, email comments, open invitation UHLS Plan of Service Forum). CLAC reviewed the feedback on the draft and developed the final draft clpos, which was reviewed and approved by both the Albany Public Library Board (as the central library of UHLS) and the UHLS Board at their respective September meetings.
- 1)UHLS Central Library Advisory Committee - review of current clpos,

Note that the UHLS Board was kept fully informed as to the complete clpos development process from start to finish.
- 3.5 Describe the integration of the 2017-2021 Central Library Plan with the system's Plan of Service. The UHLS 2017-2021 Central Library Plan of Service was developed in concert with the UHLS 2017-2021 Plan of Service, using the same identified needs and reflecting the same service goals. The Central Library plan of service was created to fully align with the UHLS plan of service goals and intended results. The approved Central Library plan of service will be shared with the UHLS Board of Trustees, the member libraries, and the UHLS staff, and will be featured prominently on the UHLS website.
- 3.6 Provide the URL of the 2017-2021 Central Library Plan. http://www.uhls.org/Central_Library_Plan_of_Service_2017_2021.pdf
- 3.7 Describe the planning process for the 2017-2021 Direct Access Plan. The current UHLS Free Direct Access Plan was reviewed by the UHLS staff; member library directors, staff and trustees; and the UHLS board. Based on that review and the fact that no member library has elected to put in place any direct access borrowing restrictions in the current pos period, the decision was made to make no changes to the current UHLS Free Direct Access Plan.
- 3.8 Provide the URL of the 2017-2021 proposed Direct Access Plan. http://www.uhls.org/Free_Direct_Access_Plan.pdf

Further evaluation of the intended results will be accomplished by the following: 1) annual administration and review of a satisfaction survey of member libraries that will be formatted to address each goal statement in the Plan of Service; 2) feedback from the UHLS Director's Association and the UHLS advisory groups 3) anecdotal reports and observations services.
- 3.10 Provide the URL for the evaluation form(s) used by members. http://www.uhls.org/POS_Survey_Report_2015.pdf
- 3.11 Provide the URL for the results of the member evaluation. http://www.uhls.org/POS_Survey_Report_2015.pdf

The results of the annual satisfaction survey will be collected and analyzed by UHLS staff and strategies to address any areas of concern will be developed and put into place. This will be an annual process. In the next planning cycle the annual survey results from the just completed plan cycle will be included in the data used to develop the next plan of service.
