

## **Grade 1-4: Catapult!**

**Protecting your castle is a job fit for a knight. Use the items in this bag to create a catapult to protect your castle from evil-doers!**

**You will need:**

**craft sticks**

**rubber bands**

**clean/dry drink cap**

**glue**

**a cannon (aka a cotton ball)**

**Create your own catapult.**

**What kind of questions should you ask when building your catapult? Who? What? Where? When? How?**

**Find a variety of items around your workspace to catapult into the air. Which items do you think will go the furthest? Which item do you think will go shortest?**

**Have a competition against others to see who's catapult will protect the kingdom from imminent danger.**
